

Coming Soon: 15 New Homes Off Lansdown Road, Kingsholm, Glos. GL1 3JF

New Dawn Homes are breathing new life into Former Tennis Courts off Lansdown Road, Kingsholm.

There will be 15 new houses ranging from 2 Bedroom Semi-Detached – 6 Bedroom Executive Detached, the houses will be off Lansdown Road and overlook the public open space to the front with views over tennis courts to the rear.

There is a shortage of new housing in Kingsholm, the area is so popular because you can easily walk to all of the facilities Gloucester City has to offer. There are excellent local schools, Gloucester Royal Hospital, Many parks, Gloucester Rugby Ground and great shops and restaurants, at your doorstep.

‘Kingsholm itself has an abundance of tree lined roads with executive housing, Lansdown Road and Denmark Road are very sought after addresses. With an open aspect to the front and tennis courts to the rear of this development, this has the feel of being in the countryside with all the amenities at hand. It really is the best of both worlds’ said Angela Hughes, Director at New Dawn Homes.

There are 3 different house designs, ranging from 2 Bedroom Houses to 6 Bedroom Executive Detached Houses. Some have a separate Dining Room, Utility Room, Dressing Room and Garages.

These new homes are high specification with Oak doors with chrome handles, Feature LED stair lights, Oak stair handrails, wall hung basins with mono tap, Contemporary Sanitary ware and Spacious Quality fitted kitchens with dining area.

Work will start soon, please register your interest on 01453 886618
