

Fastest Ever Selling Site

Regent Place, Off Regent Street, Stonehouse has been New Dawn Homes' fastest selling site ever.

The exclusively private development of just 16 houses have proved very popular, with a mix of 3 – 6 Bedroom Homes there has been plenty of choice for home buyers. The homes are built using a mix of red brick and stone with stone detailing.

'These Homes have been particularly sought after and have sold so fast we have not advertised them or been able to build them fast enough' said Angela Hughes, Director at New Dawn Homes'

' I have had more buyers than houses to sell, I am very much looking forward to moving to Minchinhampton, where we have similar high quality homes in a very sought after location' added Pauline the sales consultant.
